EASY RIDER

The ⁺SWISSMADE seaming roll sets new standards in the seaming of beverage cans.

Seams
up to
100 million
cans!

The facts about the new generation of seaming rolls from Ferrum speak for themselves:

- Long service life thanks to modern, high quality materials – closes up to 100 million cans with no maintenance required
- The seaming roll comes ready to install
- The Easy Rider has been proven and tested countless times over several years
- Closes cans cleanly and gently – guaranteeing the highest product quality

Take advantage of this today

We are now equipping beverage can seamers with the new Easy Rider. The Easy Rider is also very well-suited for retrofitting.
